MUSIC SKILLS TO ACADEMIC SKILLS TO LIFE SKILLS!

Research proves that early integration of music into your child's daily routine means improving his ability to think, reason, create, and express. Music makes him smarter. With more than 20 years experience in the field of music teaching, Tammie Bassett will help your child thrive in a musically enriched environment. Tammie Bassett has a degree in piano pedagogy and is a licensed Kindermusik Educator. She has maintained a private piano studio for 20 years and has been teaching Kindermusik for 10 years. She is very active in the music and business community by being a member of the National Music Teachers Association, the Washington State Music Teachers Association, the Mt. Rainier Music Teachers Association, the Kindermusik Partnership, Business Connections, and the Puyallup/Sumner Chamber of Commerce.

Philosophy

-  Every parent is the child's most important teacher
-  Every child is musical.
-  The home is the most important learning environment.
-  Music nurtures a child's cognitive, emotional, social, language and physical development.
-  Every child should experience the joy, fun and learning which music brings to life.
