STUDIO POLICIES

Although you may join our camp at any time throughout the session, we encourage you to register early since the space will be limited. Registering before the camp begins also ensures your camp materials will be available on the first day. Full tuition is due at the time of registration unless other arrangements have been made. There is a sibling discount.

REFUND POLICY

Tuition and material fees are refundable if we are notified in writing or by email 2 weeks prior to the start of the class. After this date all sales are final.

MAKE UP CLASSES

Classes will be made up in the event of teacher illness or inclement weather. We will notify you of the cancellation and the scheduled make-up day.

MAKING THE MOST OF KINDERMUSIK

The most important thing you can do for your child is to be an active but patient role model. Many children often take several class times to begin to feel comfortable in camp. But consistency is the key during camp, and at home. You and your child will benefit enormously from the **Kindermusik** experience, especially if you make active use of your **At Home Materials**. Frequent reinforcement at home every day makes all the difference in a child's comfort and participation in the classroom.
